(c) Delivery by the Owners of the Barge and acceptance of the Barge by the Charterers shall constitute a full performance by the Owners of all the Owners’ obligations under this Clause 3, and thereafter the Charterers shall not be entitled to make or assert any claim against the Owners on account of any conditions, representations or warranties expressed or implied with respect to the Barge.

4. Mobilisation and/or Demobilisation
Any mobilisation and/or demobilisation fee, if applicable, shall be paid as set out in Box 16.

5. Substitution
The Owners shall have the right to substitute the Barge, at any time up to fifteen (15) days prior to the delivery date, with an equivalent Barge suitable for the purpose of this Charter Party, subject to the Charterers’ approval which shall not be unreasonably withheld. Such substitution shall have no effect on the hire rates, terms and conditions of this Charter Party, save that any documented additional costs for preparing the substitute Barge for the service shall be for the Owners’ account. The Charterers shall notify the Owners of the approximate additional cost, if any, within five (5) working days after the Owners advise the Charterers of their intention to substitute the Barge.

6. Time for Delivery
(a) The Barge shall be delivered to the Charterers within the period agreed in Box 17.

(b) The delivery period in sub-clause (a) shall be narrowed down by the Charterers in accordance with the delivery period notification schedule as stated in Box 18.

For the purpose of assessing compensation in accordance with this Clause 7(a) the delivery date shall, in the event the Owners have given notice in accordance with Clause 7(d) below and the Charterers have not exercised their option of cancelling, be deemed to be the revised delivery date stated in the Owners’ notice.

(b) Should the Barge not be delivered at the latest seven (7) days after the delivery date the Charterers shall have the option of cancelling this Charter Party and the Owners shall pay to the Charterers the amount stated in Box 20.

(c) Unless the late delivery is caused by the Owners’ negligence or wilful default, the compensation stated in Boxes 19 and 20, respectively, shall be the Charterers’ sole financial remedy for damages arising out of the late delivery.
PART II
BARGEHIRE 2008 Standard Barge Charter Party

(d) If it appears that the Barge will be delayed beyond seven (7) days after the delivery date, the Owners shall, as soon as they are in a position to state with reasonable certainty the day on which the Barge should be ready, give notice thereof to the Charterers asking whether they will exercise their option of cancelling and the option must then be declared within forty-eight (48) hours of the receipt by the Charterers of such notice. If the Charterers do not then exercise their option of cancelling, the revised delivery date stated in the Owners’ notice shall be regarded as the new delivery date for the purpose of this Clause.

(e) Notwithstanding any other provision in this Charter Party the Charterers shall have the right to cancel this Charter Party prior to delivery on payment of hire for the firm period as set out in Box 13.

8. Trading Limits
(a) The Barge shall be employed within its technical capabilities for work in inland, coastal and offshore waters without limit as to trading areas, but always in lawful trades for the carriage of suitable lawful merchandise within the trading limits indicated in Box 23.

The Charterers undertake not to employ the Barge or suffer the Barge to be employed otherwise than in conformity with the terms of the instruments of insurance (including any warranties expressed or implied therein) without first obtaining, either by themselves or through the Owners, the consent to such employment by the Barge’s insurers and complying with such requirements as to extra premium or otherwise as the insurers may prescribe. The Charterers shall keep the Owners advised of the intended employment of the Barge.

(b) Without the prior written consent of the Owners, the Barge shall not enter any ice-bound ports, places or waters or any ports where lights or lightships have been or are about to be withdrawn by reason of ice or where there is a risk that in the ordinary course of events the Barge will not be able on account of ice to safely enter the port, use the port, or leave after having completed loading or discharging.

9. Excluded Cargoes
Notwithstanding any provisions to the contrary in this Charter Party it is agreed that nuclear fuels or radioactive materials or waste shall not be loaded or carried under this Charter Party. Stone or similar cargo shall not be carried unless the Owners’ prior written consent is obtained.

10. Surveys
(a) The Owners and the Charterers shall appoint a mutually acceptable qualified marine surveyor to determine and provide written reports on the condition of the Barge (including internal inspection of the tank compartments to establish the condition of the bottom of the Barge) together with its equipment, machinery and spares at the times of delivery and redelivery hereunder. It is agreed between the parties hereto that the survey reports shall be taken as conclusive evidence of the condition of the Barge and its equipment on delivery and redelivery.

In the event of damage to the Barge during the Charter Party period, the appointed marine surveyor shall in his off-hire survey report assess the cost for repairing such damage and the time required for such repairs and these figures shall be binding on both parties, except for damage recoverable under the Barge’s insurance.

(b) The cost for the on-hire survey and off-hire survey shall be shared equally between the Owners and the Charterers. Loss of time, if any, in connection with the on-hire survey, shall be borne by the Owners. The offhire survey shall be conducted in the Charterers’ time. In each case the cost of any docking and undocking, crane assistance, man power, and costs for other activities on the request of the surveyor, if required, in this connection shall be for the Charterers’ account.

11. Inventories and Consumable Oil and Stores
A complete inventory of the Barge’s entire equipment, outfit, appliances and of all consumable stores onboard the Barge shall be made by the marine surveyor on delivery and again on redelivery. On redelivery the Charterers shall pay for all bunkers, lubricating oil, water, paints, oils, ropes and other consumable stores used during the charter period and charged at cost.

12. Inspection
(a) The Owners shall have the right at any time to inspect or survey the Barge or instruct a duly authorised surveyor to carry out such survey on their behalf to ascertain the condition of the Barge and satisfy themselves that the Barge is being properly repaired and maintained.
13. Maintenance and Operation

(a) The Barge shall during the Charter Party period be in the full custody and at the absolute disposal for all purposes of the Charterers and under their complete control in every respect. The Charterers warrant that the tug(s) used shall be of a suitable size and capability for the proposed towing services. The Charterers shall maintain the Barge, her machinery, appurtenances and spare parts in a good state of repair, in efficient operating condition and in accordance with good commercial maintenance practice.

The Charterers shall take immediate steps to have necessary repairs done within a reasonable time failing which the Owners shall have the right of withdrawing the Barge from the service of the Charterers without noting any protest and without prejudice to any claim the Owners may otherwise have against the Charterers under the Charter Party.

Unless otherwise agreed, in the event of any improvement, structural changes or expensive new equipment becoming necessary for the continued operation of the Barge by reason of new Class requirements or by compulsory legislation costing more than five per cent. (5%) of the Barge's marine insurance value as stated in Box 30, then the extent, if any, to which the rate of hire shall be varied and the ratio in which the cost of compliance shall be shared between the parties concerned in order to achieve a reasonable distribution thereof as between the Owners and the Charterers having regard, inter alia, to the length of the period remaining under the Charter Party shall, in the absence of agreement, be referred to arbitration according to Clause 33.

(b) The Charterers shall at their own expense and by their own procurement navigate, operate, supply, fuel and repair the Barge whenever required during the Charter Party period and they shall pay all charges and expenses of every kind and nature whatsoever incidental to their use and operation of the Barge under this Charter Party, including all taxes except those taxes payable on the Owners' income in the country of registration of the Barge and/or the Owners' registered office.

(c) During the currency of this Charter Party, the Barge shall retain her present name as indicated in Box 5 and shall remain under and fly the flag as indicated in Box 5, provided however that the Charterers shall have the liberty to paint the Barge in their own colours, install and display their insignia and fly their own house flag. Painting and re-painting, instalment and re-instalment shall be for the Charterers' account and time used thereby shall count as time on hire.

(d) The Charterers shall make no structural changes to the Barge or changes in the machinery, appurtenances or spare parts thereof without in each instance securing the Owners' prior written approval thereof. If the Owners so approve, the Charterers shall, at their expense and in their time, restore the Barge to its former condition before the termination of the Charter Party, if the Owners so require.

(e) The Charterers shall have the use of all outfit, equipment and appliances on board the Barge at the time of delivery, provided the same or their substantial equivalent shall be returned to the Owners on redelivery in the same good order and condition as when received, ordinary wear and tear excepted. The Charterers shall from time to time during the Charter Party period replace such items of equipment as shall be damaged beyond ordinary wear and tear. The Charterers shall procure that all repairs to or replacement of any damaged, worn or lost parts or equipment be effected in such manner (as regards workmanship, specification and quality of materials) as not to diminish the value of the Barge. The Charterers have the right to fit additional equipment at their expense and risk but the Charterers shall remove such equipment at the end of the period at their cost and prior to the redelivery of the Barge, unless otherwise mutually agreed in advance and in writing. The Barge's ballast tanks shall be used for ballast water only.

(f) It is expressly understood that the Barge shall be moored in ports or places to lie safely, always afloat at any time of tide.
(g) Towage of the Barge in tandem or as a double tow, that is by the same tug(s) but together with any other floating object, is not permitted unless the Owners’ prior written consent is obtained.

14. Ballast Engineer
(a) The Barge may be ballasted, and if submersible, submerged and surfaced by the Charterers subject to the Charterers always using a competent ballast engineer for such operations.

(b) In case the Charterers request in writing and the Owners agree to provide a competent ballast engineer, a notice for same of seventy-two (72) hours plus allowance for travelling time to be given by the Charterers for every occasion the Owners’ ballast engineer is required. The Charterers agree to pay to the Owners an amount per day as stated in Box 21 per ballast engineer for up to ten (10) hours work per day including but not limited to travelling time and/or time for standby associated therewith. For any hour in excess of ten (10) hours per day the Charterers shall pay an amount per hour as stated in Box 22 for each ballast engineer. In addition the Charterers shall pay all travel expenses, accommodation expenses and meals for each ballast engineer, all according to the Owners’ invoice, and reimburse the Owners for any advance payments they have made in this respect.

(c) The ballast engineer shall at all times follow the orders and directions of the Charterers. The Charterers shall indemnify and hold the Owners harmless from and against all costs, claims, damages, expenses, losses, liabilities and penalties arising out of or in connection with the ballast operations. All liabilities in respect of death and personal injury relating to the ballast engineer shall be the responsibility of the party providing the ballast engineer.

(d) The Charterers shall provide the ballast engineer with safe access to the Barge. Throughout the time that the ballast engineer is on board the Barge the Charterers shall ensure that they, their client, or their sub-contractors shall have a representative in attendance who will keep in contact with the ballast engineer.

15. Hire
(a) The Charterers shall pay to the Owners for the hire of the Barge at the rate per calendar day stated in Box 24 commencing from the date of its delivery to the Charterers. Hire to continue until the date when the Barge is redelivered by the Charterers to the Owners.

(c) Payment of hire for the first and last month's hire if less than a full month shall be calculated proportionally according to the number of days in the particular calendar month and advance payment shall be effected accordingly.

(d) Should the Barge be lost or missing, hire shall cease from the date and time when she was lost or last heard of. Any hire paid in advance shall be adjusted accordingly.

(e) Time shall be of the essence in relation to payment of hire hereunder. In default of punctual and regular payment as herein specified, the Owners may require the Charterers to make payment of the amount due within ninety-six (96) running hours of receipt of notification from the Owners, failing which the Owners shall have the right to withdraw the Barge without prejudice to any other claim the Owners may have against the Charterers under this Charter Party. Further, so long as the hire remains unpaid, the Owners shall be entitled to suspend the performance of any and all of their obligations hereunder and shall have no responsibility whatsoever for any consequences thereof in respect of which the Charterers hereby indemnify the Owners. Hire shall continue to accrue and extra expenses resulting from such suspension shall be for the Charterers’ account.

(f) Any delay in payment of hire shall entitle the Owners to interest at the rate per annum as agreed in Box 25.

The Charterers shall establish and provide evidence of financial security or responsibility in respect of oil or other pollution damage as required by any government, including federal, state or municipal or other division or authority thereof, to enable the Barge, without penalty or charge, lawfully to enter, remain at, or leave any port, place, territorial or contiguous waters of any country, state or municipality in performance of this Charter Party without any delay. 30. War Risks (CONWARTIME 2004)

(a) For the purpose of this Clause, the words:

(i) "Owners" shall include the bargeowners, bareboat charterers, disponent owners, managers or other operators who are charged with the management of the Barge, and the Master; and

(ii) "War Risks" shall include any actual, threatened or reported:
- war; act of war; civil war; hostilities; revolution; rebellion; civil commotion; warlike operations; laying of mines;
- acts of piracy; acts of terrorists; acts of hostility or malicious damage; blockades (whether imposed against all vessels or imposed selectively against vessels of certain flags or ownership, or against certain cargoes or crews or otherwise howsoever); by any person, body, terrorist or political group, or the Government of any state whatsoever, which, in the reasonable judgement of the Master and/or the Owners, may be dangerous or are likely to be or to become dangerous to the Barge, her cargo, crew or other persons on board the Barge.

(b) The Barge, unless the written consent of the Owners be first obtained, shall not be ordered to or required to continue to or through, any port, place, area or zone (whether of land or sea), or any waterway or canal, where it appears that the Barge, her cargo, crew or other persons on board the Barge, in the reasonable judgement of the Master and/or the Owners, may be, or are likely to be, exposed to War Risks. Should the Barge be within any such place as aforesaid, which only becomes dangerous, or is likely to be or to become dangerous, after her entry into it, she shall be at liberty to leave it.

(c) The Barge shall not be required to load contraband cargo, or to pass through any blockade, whether such blockade be imposed on all vessels, or is imposed selectively in any way whatsoever against vessels of certain flags or ownership, or against certain cargoes or crews or otherwise howsoever, or to proceed to an area where she shall be subject, or is likely to be subject to a belligerent's right of search and/or confiscation.

Entering these areas may form extra risk for the Barge. All consequences of entering these areas without prior arranged additional insurance will be for Charterers' responsibility and account.

(ii) If the Underwriters of such insurance should require payment of premiums and/or calls because, pursuant to the Charterers' orders, the Barge is within, or is due to enter and remain within, or pass through any area or areas which are specified by such Underwriters as being subject to additional premiums because of War Risks, then the actual premiums and/or calls paid shall be reimbursed by the Charterers to the Owners at the same time as the next payment of hire is due, or upon readelivery, whichever occurs first.

(e) If the Owners become liable under the terms of employment to pay to the crew any bonus or additional wages in respect of sailing into an area which is dangerous in the manner defined by the said terms, then the actual bonus or additional wages paid shall be reimbursed to the Owners by the Charterers at the same time as the next payment of hire is due, or upon readelivery, whichever occurs first.
